National Jewish Health is *the* place in the United States where patients with the most difficult cases of lung, heart, immune and related diseases seek life-changing care.

Your philanthropic gifts enable our dedicated team of physicians and scientists to bring hope to children and adults worldwide by pursuing new pathways of care, treatment and discovery.

Thank you

Thank you for supporting National Jewish Health through the Breath of Life New York Golf Tournament. Increase your impact by donating at njhealth.org/NYGolf or scanning the QR code.

Dear Friends,

Thank you for being a part of the 27th annual Breath of Life New York Golf Tournament benefiting National Jewish Health. Your generosity enables our world-class experts to make medical breakthroughs and deliver unequalled care to thousands of children and adults from across the country and around the world who rely on our expertise to treat and cure the most complex lung, heart, immune and related conditions.

This year, we celebrate 125 years as a place of healing and discovery science. Our legacy of significant medical innovation is nothing short of amazing. We have led the way in understanding the root causes, genetic links and other factors of diseases that affect millions, such as severe asthma and allergies, cystic fibrosis, COPD and lung cancer, to name a few. Our work to uncover effective treatments, from biologics and immunotherapies to vaccines and novel therapies for antibiotic-resistant bacteria, has been game-changing in the medical community — and life-changing for countless patients.

What we learn today leads to novel discoveries tomorrow. We have accomplished so much because of a culture of care that stands the test of time. Passion, courage and leadership drive our unstoppable search for answers and our commitment to excellence in care that every patient deserves. Behind the scenes, our compassionate clinical teams and renowned researchers make it all possible. As we look toward the future of our institution, we will continue to transform medical science in many ways.

To learn more about the impact we are having through breathtaking discoveries and life-changing care, visit njhealth.org, or contact your regional National Jewish Health office. We invite you to take a personal Behind the Scenes® tour to see firsthand why we are the leading respiratory hospital in the nation. Please contact us at 212.297.0857 to arrange a visit.

On behalf of our Board of Directors, Council of National Trustees, faculty, staff and the patients and families we serve, thank you for joining us at the Breath of Life New York Golf Tournament. Best regards.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Salem". The signature is fluid and cursive, with a large initial "M" and "S".

Dear Friends and Colleagues,

Thank you for being a part of the 27th annual Breath of Life New York Golf Tournament benefiting National Jewish Health. This world-class medical center is changing lives everywhere — including here in New York — through compassionate patient care and groundbreaking research that are second to none.

Through your participation today, you are helping the physicians and scientists at National Jewish Health find preventions and better treatments of asthma, allergies, COPD and other lung, heart, immune and related diseases. We appreciate you joining us to support such an important medical research center.

Please, enjoy your day on the course, and we encourage you to browse through this program and see all of the people who have made today possible.

Thank you,

SHEILA AND SANDY LEWIS

are so proud to have been associated with National Jewish Health for over 25 years.

Thank you National Jewish Health for giving people from all walks of life the benefits of your amazing research and the treatment and, therefore, the opportunity to improve their lives.

It has given us so many personal rewards to recommend National Jewish to family and friends and know that they are getting the best care.
