

## NJH Ancillary Review Contact List

**Instructions:** *If you answer “Yes” to any of these questions, the corresponding ancillary review is required. If a review is a “hard-stop”, the review must be completed prior to submitting to an external IRB for review.*

### **Does this research involve any of the following:**

- **Human materials (blood, cells, cell lines, tissues, body fluids, organs)**
- **Recombinant or synthetic nucleic acid molecules**
- **Other infectious agents**

“IBC” review; **hard-stop**

Contact: [IBCOffice@NJHEALTH.ORG](mailto:IBCOffice@NJHEALTH.ORG) or [vrodriguez@brany.com](mailto:vrodriguez@brany.com)

### **Will you be receiving data from an outside institution/entity or sending data outside of NJH?**

“Contracts” review; not a hard-stop

Contact: [Contracts@NJHealth.org](mailto:Contracts@NJHealth.org)

### **Does this study involve purchasing or use of new software, hardware, cloud storage or cloud services and/or wearable devices, phone apps, etc.?**

“IST” review; not a hard-stop

Contact: Judy McCarthy [McCarthyJ@NJHealth.org](mailto:McCarthyJ@NJHealth.org)

### **Will data be obtained from the Research Database/dataSCOUT or to use REDCap to store data?**

“Research Informatics Services” review; not a hard-stop

Contact for Research Database/dataSCOUT: [ricc-datarequests@njhealth.org](mailto:ricc-datarequests@njhealth.org)

Contact for REDCap: Ruthie Knowles [KnowlesR@NJHealth.org](mailto:KnowlesR@NJHealth.org)

### **Will the research involve obtaining human samples from the Biobank?**

“Biobank” review; not a hard-stop (unless you have committed specific samples to a funder in a contract; if so, Biobank Sample Board Approval is required)

Contact: [ricc-datarequests@njhealth.org](mailto:ricc-datarequests@njhealth.org)

### **Will the research involve research-related radiation or imaging?**

“Radiology” review; **hard-stop**

Contact: Denny Moore [MooreD@NJHealth.org](mailto:MooreD@NJHealth.org)

### **Does this study involve a full or partial waiver of HIPAA?**

“HIPAA Waiver (BRANY IRB)” review; **hard-stop** (unless BRANY is the Reviewing IRB)

Contact: Jenna Wall [WallJ@NJHealth.org](mailto:WallJ@NJHealth.org)

**Will you use Twilio to send and/or collect research data for this study?**

“Twilio” review; not a hard-stop

Contact: Ruthie Knowles [KnowlesR@NJHealth.org](mailto:KnowlesR@NJHealth.org)

**Will you obtain services, data, and/or biospecimens from NJH’s Advance Diagnostic Laboratories (ADx)?**

“ADx” review; **hard-stop**

Contact: Lara Yourkin [YourkinL@NJHealth.org](mailto:YourkinL@NJHealth.org)
